WELCOME MESSAGE

Dr. Zainul Aabideen

Prof. Rupert Handgretinger

Dear friends and colleagues,

We are delighted to invite you to the 3rd Emirates Pediatric Bone Marrow Transplant and Gene Therapy Congress, taking place on 9-10 November 2024 at the Grand Hyatt Hotel, Abu Dhabi, UAE.

EPBMTC is committed to advancing pediatric healthcare and improving patient outcomes by creating a platform for global professionals to gather, share knowledge, and collaborate on the latest advancements in pediatric bone marrow transplantation. This year's event features an extensive program with keynote speeches from esteemed experts, poster and oral presentations, and insightful panel discussions.

The 2024 EPBMTC offers a robust scientific program that includes a wide range of educational sessions focused on the current practices and challenges of Pediatric Hematopoietic Stem Cell Transplantation (HSCT) and Cell Therapy. With the UAE's commitment to establishing a premier Pediatric Bone Marrow Transplant Center, this congress will facilitate high-level scientific discussions and networking, significantly advancing Pediatric BMT practices in the region.

This meeting promises top-tier scientific and educational opportunities, making it an unparalleled networking platform for all participants. With numerous opportunities to collaborate, share ideas, and improve child health in the UAE and beyond, this is an event you won't want to miss.

We look forward to welcoming you to Abu Dhabi in November 2024 for EPBMTC 24. Let's come together to shape the future of pediatric bone marrow transplantation and make a lasting impact on the lives of young patients.

See you in Abu Dhabi!
